Communication / Change / Conflict
Professional Development Series

In today's fast-paced business environments, you are being asked to do more, with less... **and do it faster.**

Are you prepared with the skills and competencies to drive your success in 2011 and beyond?

The Success at Work™ professional development series focuses on three key competencies – communication, change, and conflict. Choose the combination of programs that best fit your professional development needs!

Who Should Attend?

- ~ Business professionals ~ Individual contributors ~
- ~ Managers ~ Leaders ~
- ~ Entrepreneurs ~ Solopreneurs ~

What are the Benefits and Outcomes

- Understand how personality style impacts your success
- Identify key strategies to enhance your communication and improve effectiveness in your environment
- Learn tools to effectively manage change and conflict
- Create individualized strategies that will stick long after the program is over!
